

The Importance of Reading & How to Download Digital Books

Dear HPMS Families,

We hope you are safe and healthy. While at home, **scholars should be reading at least 20 minutes every day**. Reading 20 minutes per day is proven to positively impact scholar learning and performance in all subject areas. Reading daily is the only way to ensure that scholars' skills do not slip during this time away from school. **Scholars should be reading their book for Literature Studies class and a book of their choice** during DEAR (Drop Everything and Read) every day.

Scholars are able to download books digitally using the MyOn Digital Library which offers thousands of digital books for free as well as news articles written for students. These resources can be accessed on any digital device that is connected to the Internet and are available 24/7. Books from the MyON digital library can also be downloaded onto mobile devices for offline reading.

Directions for accessing e-books are attached. Click on the links provided and log in using the credentials given. Click on the link under resources to get instructions on how to access books offline and step-by-step tutorial videos.

La Importancia De Leer & Como Bajar Libros Digitales

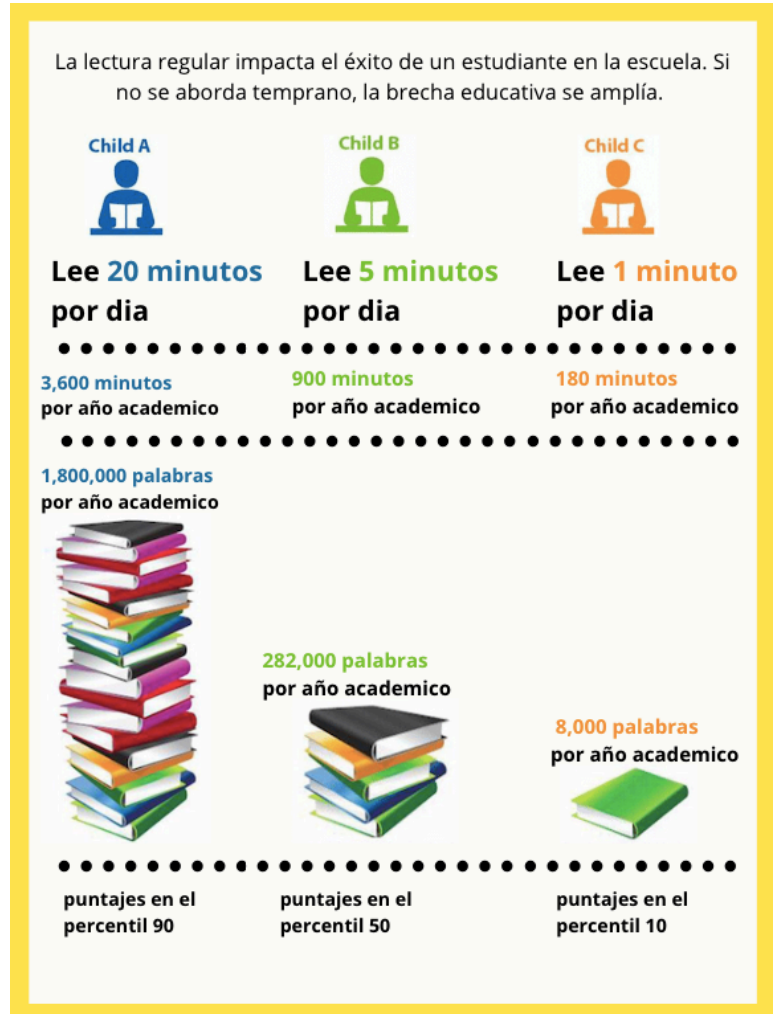

Estimadas familias de HPMS:

Esperamos que esté seguro y saludable. Mientras están en casa, **los estudiantes deben leer al menos 20 minutos todos los días**. Se ha demostrado que leer 20 minutos por día tiene un impacto positivo en el aprendizaje y el rendimiento académico en todas las materias. Leer a diario es la única forma de garantizar que las habilidades de los alumnos no resbalen durante este tiempo fuera de la escuela. **Los estudiantes deben leer su libro para la clase de Estudios de Literatura y un libro de su elección durante DEAR (Drop Everything and Read) todos los días.**

Los académicos pueden descargar libros digitalmente utilizando la Biblioteca digital MyOn, que ofrece miles de libros digitales de forma gratuita, así como artículos de noticias escritos para estudiantes.
